Concept of educational administration and management 16—Introduction 16, Concept of Educational Administration 16, Nature of Educational Administration 16, Scope of Educational Administration 17, Functions of Educational Administration 17, Concept of Educational Management 17, Nature of Educational Management 17, Scope of Educational Management 18, Functions of Educational Management 18, Educational Administration vs. Educational Management 18, Relationship Between Educational Administration and Management 18, Similarities Between Educational Administration and Management 19, Differences Between Educational Administration and Management 19, Functions of Educational Administration and Management 19, Principles of Educational Administration and Management 19, Importance of Educational Administration and Management 19, Challenges in Educational Administration and Management 20, Recent Trends in Educational Administration and Management 20;
Theories related to educational administration, 21—Introduction 21, Classical Theories of Educational Administration 21;
Human Relations and Behavioral Theories 33, Modern Theories of Educational Administration 39;
Different aspects and types of educational administration, 45—Introduction 45, Aspects / Types of Educational Administration 45, Challenges in Adopting Different Types 49.

2. Educational Planning and Administration **50-87**

Meaning of Educational Planning 50, Scope of Educational Planning 50, Importance of Educational Planning 51, Definitions of Educational Planning 51, Characteristics of Educational Planning 53, Steps of Educational Planning 54, Objectives of

Educational Planning in India 56, Types and Strategies of Educational Planning 61, Approaches to Educational Planning 65, Modern Trends in Educational Planning 69, Educational Planning in India 70, Education and Employment 73, Gender Inequality in Education and Employment 74, Education, Employment & Gender Inequality—Summary Table 76, Inspection in Education 77, Educational Supervision 81, Aims of Inspection and Supervision 84, Differences Between Inspection and Supervision 85, Challenges and Limitations of the Current Inspection–Supervision Framework in Education 86.

3. Controlling Authorities of Educational Administration 88-126

Concept of Educational Administration 88, Key Features of Educational Administration 88, Functions of Educational Administration 88, Scope of Educational Administration 89, Objectives of Educational Administration 89;

Organisation of administration of education in India 89—Central/National Level 90, State Level 90, District and Local Level 90;

Role of central and state government in education 90—Role of the Central Government 90, Role of the State Governments 91;

Functions of educational administration at Different levels 92—National Level Functions 92, State Level Functions 92, District Level Functions 93, Local/Institutional Level Functions 93;

Suggestions to Improve Educational Administration in India 93—Organisation and Structure of Administration of Education in India 94, Problems vs. Suggestions for Improving Educational Administration in India 95, Structure of Educational Administration in West Bengal 96, Different Departments of Education in West Bengal and their Functions 97, West Bengal Board of Primary Education (WBBPE) 99, West Bengal Board of Secondary Education (WBBSE) 101, West Bengal Council of Higher Secondary Education (WBCHSE) 103, West Bengal Board of Madrasah Education (WBBME) 105, Controlling Authorities in Schools of West Bengal 107, National Council of Educational Research and Training (NCERT) 109, State Council of Educational Research and Training (SCERT) 111, National Council for Teacher Education (NCTE) 117, Central Advisory Board of Education (CABE) 121, All India Council for Secondary Education (AICSE) 125, Kendriya Vidyalaya Sangathan (KVS) 125.

4. Institutional planning 127-145

Concept of Institutional Planning 127, Definitions of Institutional Planning 127, Origin of Institutional Planning 128, Characteristics of Institutional Planning 129, Objectives of Institutional Planning 130, Needs of Institutional Planning 131, Importance of Institutional Planning 132, Steps / Procedure of Institutional Planning 134, Different Aspects of Institutional Planning 135, Role of Stakeholders in Institutional Planning 137, Wastage and Stagnation in Institutional Planning 139, Key Domains of Institutional Planning 142, Institutional Planning in the Modern Era: Evolution and New Trends 143.

5. Financial Management **146-171**

Introduction 146, Educational Finance: Meaning, 146, Meaning and Definitions 146, Funding Sources 147, Role of finance in education 149;
Cost and Budget 150; Accounting, 153; Debits and Credits, 156; Journal and Ledger, 159; Trial Balance, 162; Financial Statement, 164; Income and Expenditure a/c, 166.

6. Organisational Management in Educational Institutions **172-194**

Organisational Management 172—Introduction 172, Concept and Scope of Organisational Management 172, Principles of Organisational Management 172, Organisational Structures in Educational Institutions 173, Functions of Organisational Management in Education 173, Challenges in Organisational Management 173, Principles of Organisational Management 174, Resource Allocation in Educational Institutions 175, Organisational Climate, Structure and Theories 175, Organizational Climate and Conflict 176, Examples of Organizational Climate 177, Assessing Organizational Climate 178, Management of Motivation, Conflict, and Stress 178, Stress Management Techniques 183, Work Study and Time Study 184, Time Study & Motion Study 185, Management by Objectives 187;

Organizational Development 189—Definitions of Organisational Development 190, Objectives of Organisation Development 190, Characteristics of Organisational Development 191, Need for Organizational development 191, Importance of OD 192, The OD Process in Education 192.

7. Leadership **195-240**

Leadership in Administration and Management 195—Introduction 195, Definitions of Leadership 195, A Holistic View of Leadership 196, Importance of Leadership in Administration and Management 196, Theories of Leadership 197, Leadership Styles in Management 201, Models of Leadership 213, The Five Major Leadership Styles 214;

Leadership in Management: Schools As Learning Organizations—226, Introduction 226, Leadership and Management in Schools 227, Leadership and Management in Schools 227, Core Features of a Learning Organisation in the School Context 228, Role of Leadership in Developing Schools as Learning Organisations 230, Dimensions of Leadership in Learning Organisations 232, The Importance of School Heads and Teachers as Leaders in Transforming Schools into Learning Organisations 237.

8. Human Resource Management **241-264**

Introduction 241, Meaning of Human Resources 241, Objectives of HRM 242, Functions of HRM 242, The Evolution of HRM 243, The Importance of HRM 243, Qualities of a Good HR Manager 246, Human Resource Planning 247, Human Resource Development (HRD) 249, Ergonomics in Human Resource Management 261.

9. Modern Techniques of Educational Administration and Practice 265-290

Introduction 265, Concept and Definitions of Educational Administration 265, Need for Modern Techniques in Educational Administration 266, Modern Techniques of Educational Administration 266;

Total Quality Management (TQM) in Education 270—Introduction 270, Concept and Definitions of TQM 270, Concept and Definitions of TQM 271, Core Principles of TQM in Education 271, Models of TQM in Education 271, Application of TQM in Educational Institutions 272, Benefits of TQM in Education 272, Challenges in Implementing TQM 273, Case Studies of TQM in Education 273, Future of TQM in Education 273;

SWOT (SWOC) Analysis in Educational Administration—274, Introduction 274, Concept and Definitions 274, Principles of SWOT/SWOC in Education 275, Detailed Exploration of SWOT/SWOC Components 275, Significance of Challenges 276, Applications of SWOT/SWOC in Education 277, Advantages of SWOT/SWOC 277, Limitations of SWOT/SWOC 277, Case Illustrations 277, Future Directions 277; Planning-Programming-Budgeting System (PPBS) in Educational Administration 277—Introduction 277, Meaning and Definitions of PPBS 278, Historical Background of PPBS 278, Need for PPBS in Education 279, Key Features of PPBS 279, The PPBS Process 279, Application of PPBS in Educational Administration 280, Advantages of PPBS in Education 280, Limitations of PPBS in Education 280, PPBS vs Traditional Budgeting 281, Modern Relevance of PPBS 281;

Program Evaluation and Review Technique (PERT) in Educational Administration 282—Introduction 282, Concept of PERT in Educational Administration 282, Features of PERT in Education 282, Process of Applying PERT in Educational Administration 282, Advantages of PERT in Educational Administration 283, Disadvantages of PERT in Educational Administration 283, Applications of PERT in Educational Administration 284, PERT in Decision-Making and Control 284;

Management by Exception and Review Technique (MERT) in Educational Administration 285—Introduction 285, Concept of MERT in Educational Administration 285, Key Features of MERT 285, Process of Using MERT in Educational Administration 286, Advantages of MERT in Educational Administration 286, Disadvantages of MERT in Educational Administration 286, Applications of MERT in Educational Administration 287, MERT and Decision-Making 287;

Critical Path Method (CPM) in Educational Administration 287—Introduction 287, Concept of CPM in Educational Administration 288, Features of CPM 288, Steps in Applying CPM in Educational Administration 288, Advantages of CPM in Educational Administration 289, Disadvantages of CPM in Educational Administration 289, Applications of CPM in Educational Administration 289, CPM and Decision-Making in Educational Administration 290, CPM vs. PERT in Educational Settings 290.

10. Global Perspective in Education 291-320

Introduction 291, What is Globalization in Education 291, Impact of Globalisation in Education 291, Challenges Brought by Globalization in the Field of Education 292, Benefits of Globalization in Education 292, Globalization, Privatization, and the Challenges of Educational Management 293, The Challenges of Privatization in Educational Management 293, Navigating the Interplay: Challenges for Educational Management 294, Impact of globalisation on education in India 294, Globalisation and New Education Policy (2020) 295, NEP on construction of Knowledge Society 296; ICT in Education 297; Management Information System 312—Objectives of Management Information System (MIS) 312, Components and Functions of MIS 313, Benefits of Using MIS in Educational Management 314, Challenges and Considerations for Implementation 314, Three Pillars of Management Information System 314, The Future of Management Information Systems 315; Best practices in educational institutions 316; Innovations in educational institutions 318; Technology Integration 318, Pedagogical Innovations 319, Other Notable Innovations 320.

11. Change Management 321-328

Concept and Need for Planned Change 321; Applicability and Limitations 325; Japanese Models of Change and Quality (JIT and Poka-Yoke) 326; Poka-Yoke (Mistake-Proofing) 327; Benefits of poka-yoke in manufacturing 328

12. Quality in Education: Indian and International Perspectives 329-332

Introduction 329; The International Perspective: A Holistic and Global View 329; The Indian Perspective: Access, Equity, and National Development 330; Cost of Quality in Education 331

□ Reference 333-335
